

# THERE ARE BROTHERS AND SISTERS OVERSEAS WHO HAVE NEVER HAD A BIBLE

Would you let us have your extra Bibles to send to them?

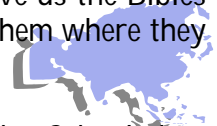

Our ministry receives many requests to send Bibles to countries like Zambia, Nigeria, Kenya, Pakistan, and India. Most of these requests come from the countries in Africa.

The need is great. It has been determined that there are 350 million evangelical Christians in Africa, and that 200 million of them do not own a Bible! That's hard for us to imagine, but it is true. 200 million Christians in Africa need Bibles. There's also a need for Scriptures to distribute to the lost people. That would take millions more.

This ministry can't meet all the need. However, if you will work with us, we can help several thousand people to have God's Word for the first time.

The Bibles we need to ship overseas are already available! You've got them at your home! The Bibles we need are the ones you don't use any more! We don't want you to give us the Bibles you use. Just give us the ones you don't use! We'll be responsible for sending them where they are needed.

If you are willing to do that, consider helping others do the same. Your Sunday School class could have a Bible collection day. Better yet, your whole church could have such a day. Many will give their extra Bibles, if you will make it easy for them. Simply tell them to bring their used Bibles to church. Then, you transport them to our Ministry Center on the west side of Greenville SC. Our building is located one half block off White Horse Road. Before you deliver the Bibles, call Steve Rutledge at 864-640-1541 and let him know the approximate time you will arrive. He will give you specific directions to the Center.

You may wonder if people outside the States can read our English Bibles. About 20% of the people overseas can. In Africa, English is the official language of several nations. There are areas where 50% of the people can read English.

Help us get all the Bibles we can. We'll take any translation. We'll take small print, and large print Bibles. We will take whole Bibles, New Testaments, and Gospels. However, we can't take worn out Bibles, or Bibles that are falling apart.

We are grateful for your help. One day when you get to Heaven, a person from another country may come up to you and say, "Thank you for sending me your Bible. That's the only one I ever had."
